

**Annexe 5 : Analyses MEB-EDS du « concentré de
phases cimentaires » des échantillons QG0_90,
QG10M_90, QSG0_90 et QSG10M_90**

« Concentré » de phases cimentaires
de l'échantillon QG0_90 avant
lixiviation

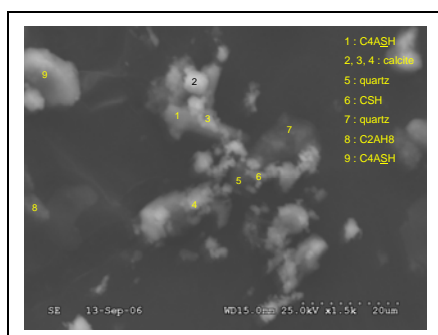

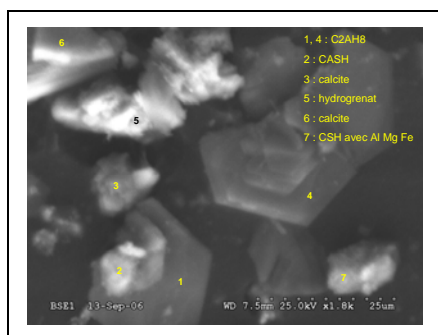

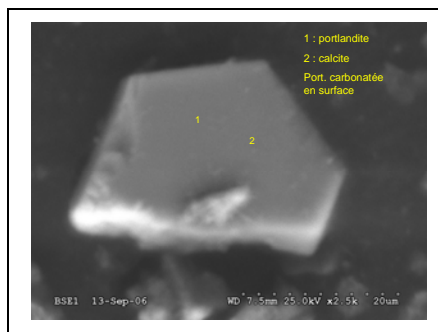

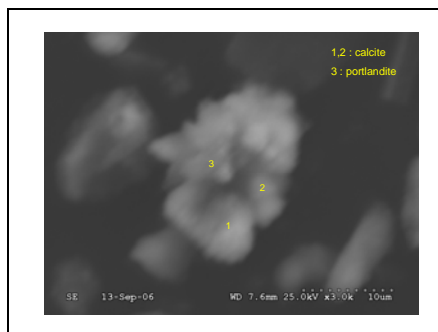

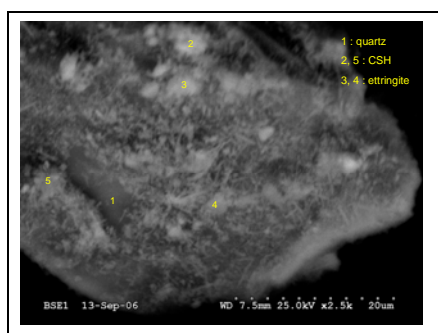

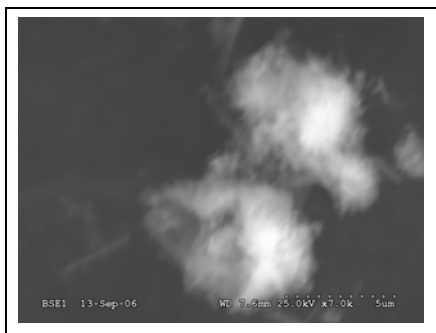

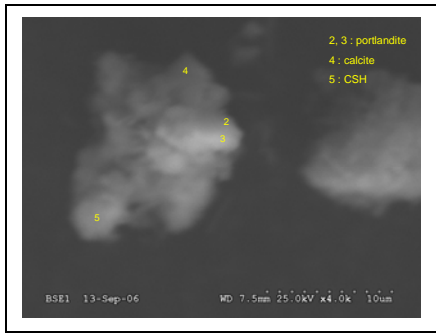

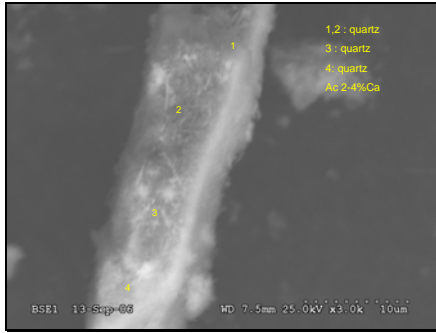

« Concentré » de phases cimentaires
de l'échantillon QG0_90 avant
lixiviation
avec localisation des points d'analyses EDS

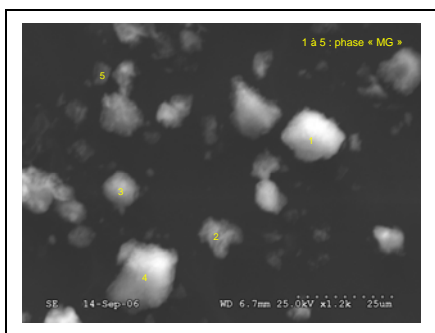

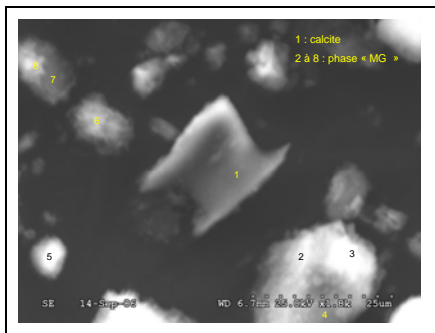

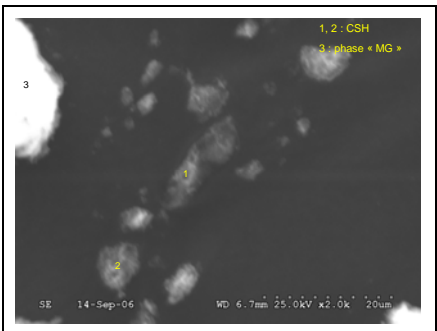

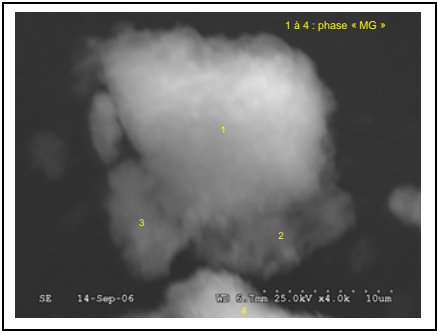

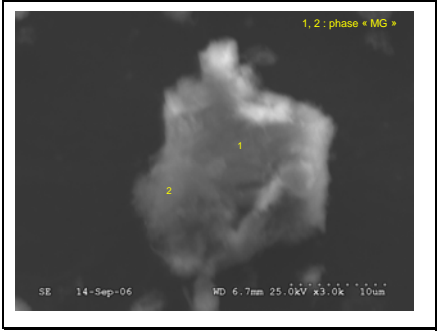

« Concentré » de phases cimentaires
de l'échantillon QG10M_90 avant
lixiviation
avec localisation des points d'analyses EDS

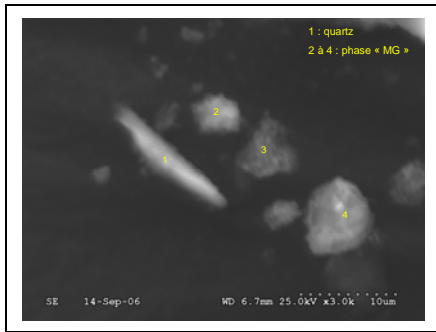

« Concentré » de phases cimentaires
de l'échantillon QSG0_90 avant
lixiviation
avec localisation des points d'analyses EDS

« Concentré » de phases cimentaires
de l'échantillon QSG10M_90 avant
lixiviation
avec localisation des points d'analyses EDS
